As the manufacturer of Gyru-Star Compact Screening System, Wheatway Solutions Ltd, here after known as 'the manufacturer'; warrants a new Gyru-Star Compact Screening System product from the time of delivery to the original purchaser for a period of 12 months. During the warranty period, Wheatway Solutions Ltd guarantees that the product will be free from defects in materials and workmanship. In order for the warranty to become valid, a Warranty Registration Form for the unit must be completed and returned to Wheatway Solutions Ltd by email immediately after delivery to the first user. Should a screening system not be registered in a timely fashion, the warranty will apply from the date the screening system was manufactured.

This warranty is subject to the following:

The warranty covers a repair or replacement of components that are defective in material or manufacture, according to the manufacturer's exclusive judgement.

Wheatway Solutions Ltd must be informed in writing, via post or email, of any defects in materials or workmanship within 30 days of the date of defect.

All warranty claims **must** include images of the internal screening area including all the polyurethane stars.

The warranty does not cover any consequential or incidental costs such as working costs, possible delays in work or consumable items.

The warranty does not cover any parts subject to wear or any damage caused by abuse, neglect, misuse or incorrect operation.

The warranty is cancelled, and the manufacturer and its agents are relieved from liability if the user makes any alterations or additions to the product without written permission.

The warranty is cancelled, and the manufacturer and its agents are relieved from liability if the product is used in an environment that is not mentioned in the operator's manual without written permission.

The warranty is cancelled, and the manufacturer and its agents are relieved from liability if maintenance schedules are not adhered to and/or incorrect or inadequate repairs are carried out.

All defective parts must be held by the user for a period of 90 days and be available for return to the manufacturer for inspection and investigation should this be deemed necessary by the manufacturer. The cost of shipping defective parts is borne by the user.

Free replacement parts do not extend the unit warranty time.

This warranty does not affect your statutory rights.
